

NABTEX

Carpet Collection

COMMERCIAL & HOSPITALITY SOLUTIONS

All patterns are for reference only — any image can be produced and fully customised.

ABOUT US

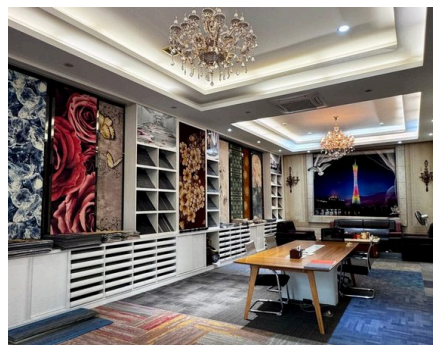

Brand Profile

Nabtex has been manufacturing commercial and hospitality carpets for nearly 30 years. Our 100,000 m² production base in northern China is one of the region's largest, with annual sales exceeding 15 million square metres.

We specialise in printed carpets, carpet tiles, Axminster carpets and hand-woven rugs. Backed by 20+ sales branches and a 30-designer development team, we deliver fully customised solutions — pattern, colour and specification — for hotels, offices, retail and residential projects worldwide.

LOGISTICS

Packaging & Shipping

- Export-grade reinforced packaging — wear & compression resistant
- ISPM 15 fumigated pallets — full phytosanitary compliance
- In-container moisture protection & cargo securing — zero load shifting
- Dispatched from Guangzhou Port — office & warehouse in Guangzhou for overseas customers

Every roll and tile is inspected, wrapped and secured for long-haul sea freight. Loading plans are shared before shipment, so you know exactly how your cargo travels.

SUPPORT

Frequently Asked Questions

Q · Are you a manufacturer or a trading company?

A professional carpet manufacturer with nearly 30 years of experience, 20+ offices across China and an annual capacity exceeding 15 million m².

Q · What is your MOQ?

Usually 100 m². Smaller orders may be accepted depending on product type and production requirements.

Q · Can you provide samples?

Yes. Customised samples are provided for approval before bulk production, and the approved sample serves as the quality reference for the bulk order.

Q · Can you develop custom designs?

Absolutely — customised products account for ~70% of our annual orders, supported by a 30-designer development team.

Q · What are your payment terms?

Typically 30% T/T deposit before production, 70% balance before shipment. Terms are flexible for larger or long-term orders.

Q · What is your lead time?

In-stock designs: 1–3 days · customised samples: 3–10 days · bulk production: 7–15 days.

Q · What after-sales service do you provide?

Strict pre-shipment inspection on every order; any quality or delivery issue is handled promptly by our team.

Q · Can I visit your factory?

Welcome anytime — airport or railway station pickup can be arranged. We also have an office and warehouse in Guangzhou for overseas customers.
